

Thank you for booking a place on our sewing class. The class will start at 10am (doors open at 9.50am) and finish at 4.00pm.

Refreshments are provided but please bring your own lunch.

There are kitchen facilities available for your use at lunchtime, a comfy dining area on site and a streamside picnic area and grassed courtyard for eating should the weather allow. There is an award-winning local shop, a bakery and cafes in the nearby village of Hovingham.

### **Fabric & Resources:**

Basic materials, such as zip, piping cord, button shells, needles etc.. are included in the session cost, as are the cushion inners needed for the scatter and bolster cushions. You will simply need to purchase an appropriate fabric for each project.

We have our fabric shop on site with hundreds of rolls of upholstery weight fabric on the roll, all at reduced prices, and we have a wide range of remnants suitable for these smaller projects. With the ever growing threat from online retailers we humbly ask all our students to consider sourcing their fabric from our beautiful little shop if at all possible. If you have a specific fabric in mind then we can likely order this for you in advance of your class.

Please visit our fabric shop website to see our current rolled stock brochure ([www.wathcourtfabrics.co.uk](http://www.wathcourtfabrics.co.uk))

### **Timescales:**

Our aim is to provide a fun and relaxed experience whilst teaching you the fundamental techniques and processes of constructing these styles of cushions. Whilst you are highly likely to complete both projects in the session time this cannot be guaranteed as progress will be down to the nature of your chosen fabric, work rate and aptitude.

Please see our T&Cs regarding any potential need to cancel your session ([www.jodygrayupholsteryschool.co.uk](http://www.jodygrayupholsteryschool.co.uk))

We very much look forward to welcoming you to our workshop.
